**Re: Invitation to the 2007 International Pipeline Security Forum
October 23 - 24 - 25, 2007**

On behalf of Mr. Jack Fox, General Manager for Pipeline Security, Transportation Security Administration, Department of Homeland Security, and myself, I am pleased to invite you, or your designated representative, to the *2007 International Pipeline Security Forum* being organized by Natural Resources Canada (NRCan), Energy Infrastructure Protection Division (EIPD) in collaboration with the Department of Homeland Security (DHS), Pipeline Security Division, Transportation Security Administration (TSA). This is the third occasion for this event, which alternates annually between Canada and the United States.

This year's Forum is taking place in Ottawa, Ontario, Canada, at the Fairmont Château Laurier Hotel. An optional full-day tour of NRCan's scientific research laboratories (explosives, seismic, and pipeline integrity) is being offered on Tuesday, Oct. 23, 2007.

A copy of the draft Agenda and Registration Form are enclosed herewith, along with some Ottawa tourism information. There is no cost to register, however seating at this event is limited, and is on a first-come, first-serve basis, therefore it is strongly recommended that you register as early as possible by completing the attached Registration Form and faxing it to: EIPD, NRCan, Fax # (613) 995-8463.

The registration deadline is Friday, October 12, 2007.

I trust you'll be able to join us at another exciting Forum, and I look forward to seeing you there.

Yours sincerely,

Felix Kwamena, Ph.D.
Director, Energy Infrastructure Protection Division
Petroleum Resources Branch / Electricity Resources Branch
